

Report on Slogan Writing Event on International Mother Language Day

Date: February 21, 2024

Event: Slogan Writing Competition

Venue: West Guwahati College of Education

Participants: All B.Ed 1st year Students

Theme: “Multilingual education is a pillar of learning and intergenerational learning”

Overview:

On the occasion of International Mother Language Day, a vibrant and culturally enriching event unfolded at West Guwahati College of Education. The college organized a Slogan Writing Competition where all the B.Ed students expressed their thoughts on the importance of multilingual education under the theme, “Multilingual education is a pillar of learning and intergenerational learning”.

Participation:

The event witnessed enthusiastic participation from all B.Ed students, who actively engaged in expressing their ideas through slogans. Students showcased their linguistic diversity by crafting slogans in various languages, including English, Assamese, Hindi, Bengali, Arabic, and Japanese. This diverse representation underscored the universality of the theme and the significance of embracing linguistic diversity in education.

Highlights:

Cultural Fusion: The event served as a platform for cultural exchange and celebration, with students from different linguistic backgrounds coming together to celebrate the richness of their mother tongues.

Creativity Unleashed: Participants displayed remarkable creativity in crafting slogans that encapsulated the essence of multilingual education and its role in fostering intergenerational learning. Slogans ranged from poignant statements to witty expressions, reflecting the depth of thought invested by the students.

Promotion of Linguistic Diversity: By encouraging slogans in multiple languages, the event highlighted the importance of preserving and promoting linguistic diversity in educational settings. It emphasized the idea that embracing various languages enriches the learning experience and promotes inclusivity.

Conclusion:

The Slogan Writing Competition on International Mother Language Day at West Guwahati College of Education was a resounding success, symbolizing the institution's commitment to promoting linguistic diversity and intercultural understanding. Through their creative expressions, B.Ed students reaffirmed the pivotal role of multilingual education in nurturing intergenerational learning and fostering a more inclusive society.

Future Endeavors:

Such events serve as catalysts for future initiatives aimed at fostering a deeper appreciation for linguistic diversity and promoting multilingualism in educational practices. Moving forward, West Guwahati College of Education remains dedicated to organizing similar activities that celebrate the richness of languages and promote cross-cultural understanding among students and the wider community.
