MESSAGE FROM THE PRESIDENT, NILACHAL ACADEMIC TRUST

So, with best wishes.

Dear Student teacher-trainee friends,

It is a pleasure to welcome you to the West Guwahati College of Education. You might have already collected the information that the College is affiliated to Gauhati University, recognized by the NCTE and concurred by Government of Assam.

The College is situated at the Western fringe of the Nilachal Hills, the abode of the mother Goddess Kamakhya, a place secluded from the din of the busy city. The picturesque location of the college will not only add to your mental pleasure but will also help you to study at a very tranquil environment. The mighty Brahmaputra flows close to the college.

Established in 1992, thanks to its dedicated teachers and supporting staff, the college has a brilliant academic record. It is wished that you, the new entrants, will spare no effort to carry on the tradition.

-Prof. P. K. Jain

FROM THE PRINCIPAL'S DESK

On 32 years, WGCE has become a national leader in providing teacher education. With intake capacity 100

students every year, our focus is on preparing leaders in teaching for tomorrow. In doing so, we emphasize excellence in teaching, learning, seminar, workshop & Innovative practice. We work with the leaders in education to develop the latest faculty resources that are responsible to our needs of training and utilize modern tools and technologies to deliver our programs. We seek to maintain the quality of our training program with the latest technology which can revamp the teaching-learning process. Hence all the teacher educators are committed towards their profession to rebuild the quality of teacher education. The team of teacher educators' dedication, obligation, and loyalty to the institution bring the focus as a prime institution among the teacher-training colleges of Assam. Every activity of this college gives a different identity in the field of education.

If you are thinking of becoming a leader and making the world a better place to live in, then you consider becoming a part of West Guwahati College of Education and we welcome you to visit our website find out more about the college.

A handwritten signature in black ink, likely belonging to Dr. Gitanjali Choudhury.

**-Dr. Gitanjali Choudhury,
Principal,
West Guwahati College of Education**

HISTORY OF THE COLLEGE

With the explosion of media and information spreading technology, the teaching techniques have undergone rapid changes. Besides, the schooling age and period is reduced, for which proper training has become indispensable to handle the well informed pupils. To mitigate the social needs, in order to fill up the gaps of trained teachers and at the same time to provide training facilities to ever growing number of graduates, a vociferous demand for such training facilities was built up in this part of the city.

In response to the demand of Pandu-Maligaon,

Jalukbari, Dharapur, Tetelia, Baragaon, Gotanagar and entire western part of the city this West Guwahati College of Education, in 1992 was established with the relentless efforts of a few devoted academicians

Accordingly, a Sponsoring Body headed by Dr. M. Barthakur, M.A., B.Sc. (Hons), Ph.D., Retd. Professor of Gauhati University and Sri Sreemanta Sarker, M.A., B.Ed., the Principal of Bidyamandir H.S. School as Secretary was formed on 1st April, 1992 to initiate the move for establishing a College of Education i.e., B.Ed. College at Pandu, with permission from Gauhati University. The Sponsoring Body was later on expanded by co-opting other members having selfless love for education and wide experience in socio-administrative activities.

Institution of Krishna Kanta Handique State Open University (KKHSOU) Study Centre came into force due to the tireless effort carried out by Prof. Dr. Minadhar Barthakur, President, WGCE and Dr. Gitanjali Choudhury, Principal, WGCE.

The college has been providing D.El.Ed Regular Course under SCERT with an intake capacity of 50

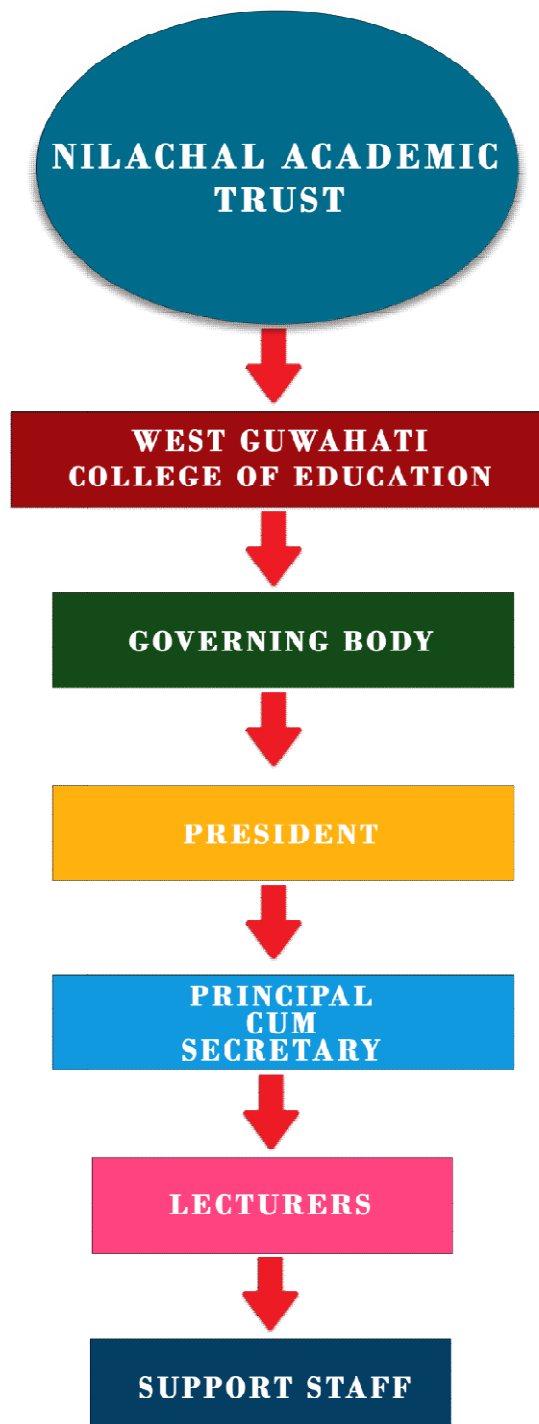

students since 2017 till date.

In the recent years the demand for trained teachers has considerably increased. Due to lack of trained teachers, the State Government deputed teachers for in-service training to limited number of B.T. or B.Ed. degree compulsory for recruitment of teachers. Similarly the state government also prefers trained teachers for appointment in the schools and very likely it will make it statutory requirement for a qualified teacher. Gauhati University abolished the B.T. Department and the existing teachers training colleges failed to meet the demand of ever-growing schools in the nook and corner of the state. As a result, there was a pressing need for a teachers training college in the western part of the city of Guwahati.

The Managing Committee of the Bidyamandir H.S. School of which Sri Sarker was the Secretary was magnanimous enough to permit the Sponsoring Body to start the College in its premises. The efforts of the Sponsoring Body were ultimately crowned with success when “West Guwahati College of Education” (WGCE) was formally inaugurated on the 1st April, 1992 in the premises of Bidyamandir H.S. School, Rest Camp, Pandu, Guwahati-12. It will be unfair if the names of two veteran academicians whose personal efforts and contributions have laid the solid foundation of the College are not mentioned in this context. They are late B.K. Nath, M.Sc.; M.S. (USA) and Mrs. Kamana Barowa, M.A.; B.Ed. Along with the Secretary Sri Sarker, late Mr. Nath as the founder Principal gave the academic shape of the institution by his selfless dedication and Mrs. Kamana Barowa as an experienced teacher organized the academic and co curricular activities. Large number of students from different parts of the city and the state as a whole were attracted and consequently there had been increasing rush for admission in the College. Since 1992, the College has been efficiently functioning and by 2006, it has trained more than 1000 graduates and post graduates to become qualified teachers. The statistics given, testify the creditability of the College.

AN INSTITUTION PAR EXCELLENCE

In response to the demand of Pandu - Maligaon, Jalukbari, Dharapur, Tetelia, Baragaon, Gotanager and entire western part of the city the West Guwahati College of Education was established in 1992 with the relentless efforts of a few devoted academicians.

Accordingly, a sponsoring Body headed by Dr. M. Barthakur, M.A., B.Sc. (Hons), Ph.D., Retd. Professor of Gauhati University and Sri Sreemanta Sarker, M.A., B.Ed., the Principal of Bidya Mandir H.S. School as Secretary was formed in the early part of 1992 to initiate the move for establishing a College of education i.e., B.Ed. College at Pandu, with permission from Gauhati University. The Sponsoring Body was later on expanded by co-opting other members having selfless love for education and wide experience in socio administrative activities.

The Managing Committee of Bidya Mandir H.S. School of which Sri Sarker was the secretary was magnanimous enough to permit the Sponsoring Body to start the college in its premises. The Efforts of the Sponsoring Body were ultimately crowned with success when "West Guwahati College of Education" (WGCE) was formally inaugurated on the 1st April, 1992 in the premises of Bidya Mandir H.S. School, Rest Camp, Pandu, Guwa-hati-12. It will be unfair if the names of two veteran academicians whose personal efforts and contributions have laid the solid foundation of the College are not mentioned in this context. They are late B.K.Nath, M.Sc., M.S. (USA) and MRS Kamana Barua, M.A., B.Ed. Along with the Secretary Sri Sreemanta Sarker, Late Mr. Nath as the founder Principal gave the academic shape of the institution by his selfless dedication and Mrs. Kamana Barua as an experienced teacher organized the academic and co-curricular activities. Large number of students from different parts of the city and the state as a whole were attracted and consequently there had been increasing rush for admission in the college. Now, the college has its own campus at Templeghat with its 3 bighas land.

At present West Guwahati College of Education, affiliated to Gauhati University and **Recognized by NCTE** with **Concurrence No. AEE.134/2013/68** of government of Assam as a self financing institution called the West Guwahati College of Education. The College is headed by its President, Dr. Chandi Charan Bhattacharyee, Retd. Prof of Gauhati University of Chemistry Department and Mrs. Gitanjali Choudhury is now acting principal who has a well planned layout of buildings and facilities with latest and updated technology, to provide a wonderful opportunity for students to enjoy learning.

The College has been accredited with **B+** Grade by UGC NAAC in December 2024.

VISION & MISSION

"We want that Education by which character is formed, Strength of mind is increased, the intellect is expanded and by which one can stand on one's own feet."

-Swami Vivekananda

VISION OF WGCE

To inculcate holistic and quality-oriented teacher education programme through different modern, innovative techniques in teaching learning process among the student trainees.

MISSION

To meet the holistic quality education through the "SHOWER THE AMRIT OF KNOWLEDGE", prepare the student teacher for acquiring new knowledge, skills for shaping and promoting the upcoming generation.

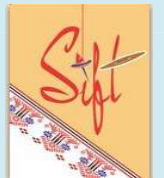

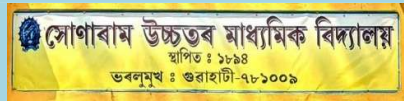

VALUES

- *To prepare good human being/citizens.*
- *To identify hidden talents.*
- *To provide activity-oriented courses.*
- *To mobile resources.*
- *To maintain integrity and honesty among the stakeholders.*
- *To the respect the human relationship with dignity.*

A HUB AND REPOSITORY OF KNOWLEDGE

THE LIBRARY

The library remains open all 365 days. The library has 5200 volumes of books and a number of documents of technical educational and scientific journals. The reference section has variety of books in various disciplines. The SOUL 3.0 is installed to review and relocate the books. Library is well equipped with system software. 60 seats in the reading room are always available for day-to-day utilization by the students and faculty members. Wi-Fi facility is available for teaching staff and student-trainee for Library services.

The Library contributes to the fulfillment of the College mission by:

- ❖ Electing, acquiring, organising, maintaining and making accessible a collection of printed and non-printed, primary and secondary materials that will support the educational, research and public service programmes of both students and the faculty.

- ❖ Responding to the varying needs of the academic community by involving the faculty, the students and the administration in the development and periodic assessment of the library services and resources.

- ❖ Providing an environment conducive to the optimum use of library materials and an appropriate schedule of hours of service and professional assistance.

- ❖ Providing library users with

points used in instruction, personal assistance in conducting literature research and other reference services.

PSYCHOLOGICAL LABORATORY

The college facilitates a high quality and advanced psychology laboratory for its students.

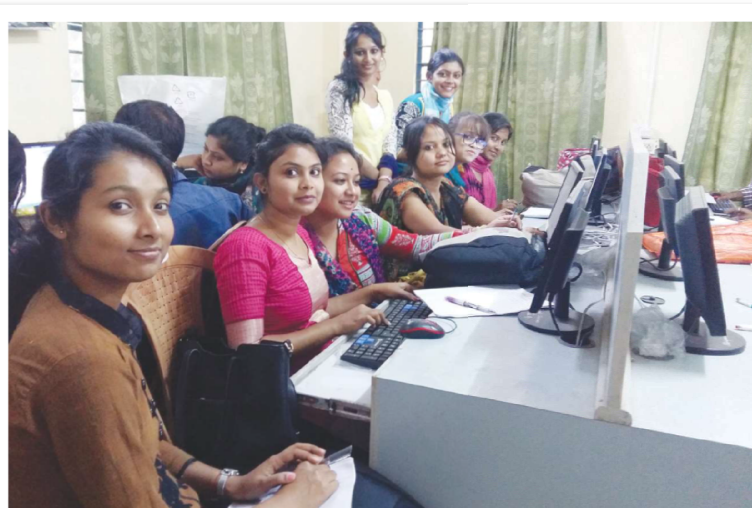

The laboratory is fully furnished with modern psychological tools to test the different abilities of students. This new age laboratory gives opportunity to every student to experience every experiment individually. Along with different psychological equipments like Memory Drum, Performance (Bhatiya Battery) test, stop watch etc. It also provides different psychological charts, pictures, models for the benefit of students. This laboratory will help in developing different abilities of the students. It will make the students mentally alert, develop their perception and reasoning ability. It will prepare the students for future challenges of life.

TECHNOLOGY LABORATORY

The College is equipped with well furnished hi-tech equipments which will enable the teacher trainees to be familiar and skilled with new methods and techniques in the instructional process. The equipments being TV, Computer, LCD slide Projector, Overhead Projector, Tape recorder, Radio, Charts, VCR, Educational CDs.

ICT

There is a full-fledged ICT room with more than 25 Number of computers and ample opportunity is offered to the teacher trainees to put on hands on training and to acquaint with fundamental knowledge of computer. The teacher trainees are encouraged to prepare Power Point, Graphical Presentation and MS-Excel tasks.

C-TET & TET COUNSELLING CELL

To enter into today's competitive world, students need to appear for multiple entrance exams, TET is one of them. As the college is a teacher training institute, right guidance from teacher educator can help to revitalize their knowledge and to help the student's to achieve their goals of becoming teacher smoothly. To gain success, it is very important to put every step in the right direction without losing one's focus. Thus our teacher educator can lead the students to right path for appearing the C-TET & TET exam by nurturing during their pre-service journey of these two years through online mode or through hybrid/ blended mode on Sundays and holydays.

SCIENCE LABORATORY

A special body of knowledge- 'Science' is incomplete in itself without having practical knowledge. The class lectures are materialized into practice by performing different practical activities. To provide the theoretical teaching points of Science into practical purpose, the College is equipped with well furnished practical laboratory. The College has all the necessary materials included in Physics, Chemistry, Botany and Zoology within one method 'General Science'.

LANGUAGE LABORATORY

Phonetic is a special feature of our Language Laboratory and this is the only laboratory available in B.Ed. Colleges in Assam. It is a grand success of WCE that the College has also English Language Lab with 10 Computers. The structure, phonetic, accents of the Foreign Language like English is necessary to work in such Language Laboratory to be a professional teacher.

GEOGRAPHY LABORATORY

The miniature World has come to the laboratory of Geography in W.G.C.E. The authority and management has taken a decisive and bold step to introduce Geography as method so that the teacher can be export one to be a successful and trained teacher in Social Studies and Geography teacher.

DRAMA & ART CLUB

The inclusion 'Drama & Art in education' in the B.Ed. courses is appreciated by WCE as a teacher's training college. Student teacher will be expert if they learn to act in different school subjects with the help of performing art teachers. Miss Papari Medhi, an acclaimed trainer from National School of Drama is a lecturer of drama.

Students are trained to know how to act or how to observe the different situations in dramatic way. Likewise, students are trained to club art in education for teaching learning process. She staged the drama of different stories with the students to clarify the concepts of drama in education.

Drawing the sketches is an artistic way is not the prime motto of this training. Mr. Ranjit Rabha, who is Masters in Fine Arts from Biswabharati University imparts education through arts. He took the students to visit different Art gallery, Craft Museum for teaching the technique of different mythological stories of different era.

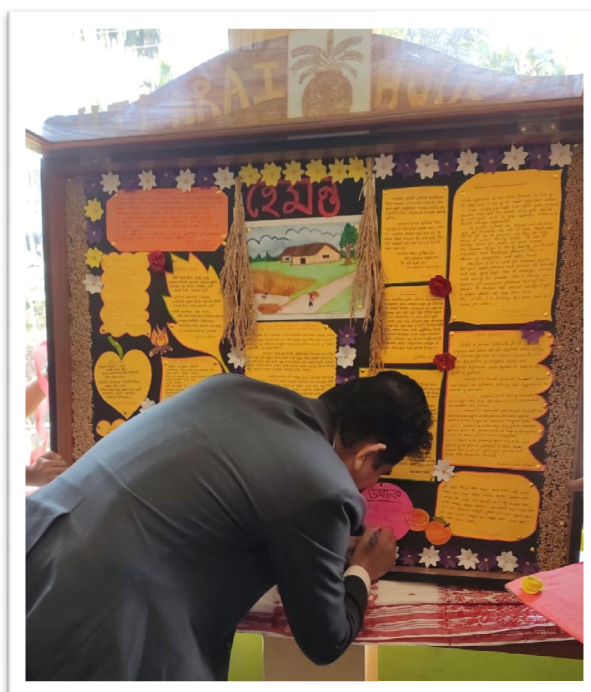

LITERARY CLUB:-

The college has a Literary Club. The students are divided into four separate groups:-

- JOYMOTI HOUSE
- SHANKARDEV HOUSE
- LACHIT HOUSE
- TAGORE HOUSE

Every year students publish their magazine Pragyajyoti and wall magazines as Puberun, Adharsila, Bahniman, Udayachal to flourish their literary skills.

INNOVATIVE PROGRAM

WGCE starts the session with Induction Meeting on 1st week of August, followed by the Ice Breaking and Brain Storming session every year. Every student's teacher trainees are breaking the intimation through this session. WCE organizes workshop on various relevant subjects like Action Research, Micro Teaching, Psychological Test, Intelligence Test, Question Paper Analysis, and Blue Print Preparation. WGCE invites various resource persons to deliberate the topics.

WCE organizes field trips every year to expose the students' capacity such as leadership, sharing, budgeting, distributing, and organizing the trip. It is a gallant day for Students teacher trainees when WCE organizes painting and photo exhibition among them.

In the present day, innovative programmes occupy a significant place in the Teacher Education Programme. The NEP 2020 has brought massive changes in the educational sector. Therefore, the B.Ed Course has also been transformed from the old format to a Semester format. As NEP, 2020 also emphasizes a lot on skill development and multi-disciplinary approach to imparting education, WGCE has put on due priority in the following areas -

1. Ice Breaking Session.
2. Brainstorming Session.
3. Clay Modeling.
4. Seminar.
5. Gardening.
6. Rangoli Preparation.
7. Wall Painting.
8. Field Trip.
9. Visit to Art Exhibition at Kalakhetra.
10. Workshop on Yoga.
11. Visit to Book Fair.

SERVICE TO THE SOCIETY

COMMUNITY SERVICES

The West Guwahati College of Education, as a premiere institute of the locality has been actively contributing towards the community through services like health checkups, mock drills for natural disasters and fire outbreaks. The institution in collaboration with the specialized personnel of the various departments has been successfully conducting such community services since its inception.

Initiatives such as free eye checkup, mock drills with the fire and emergency services of the city has been successfully organized by the institution for the students, faculty, people of the Templeghat community. Keeping in view the larger target group to be served by the institution, such activities are taken up every year.

Along with it, the college has also adopted a village called Chandra. Extension of a helping hand towards the village in terms of support to the locals in cash or kind, subscription of news paper to the school of the village and such expenses has been duly provided by the institution on time.

(Free Eye Checkup Camp, WGCE)

(Adopted School in the Adopted Village)

(Adopted Village of WGCE)

(Free Eye Checkup Camp)

The IQAC of West Guwahati College of Education actively participated in Seva (Community Service) during the sacred Ambubachi Mela as a part of its commitment to community service and social responsibility. Faculty members and students voluntarily extended their support to pilgrims by assisting in various service activities with dedication, compassion, and a spirit of selfless service.

This initiative reflected the institution's core values of humanity, empathy, and social commitment. Through this noble endeavor, the participants experienced the true essence of Seva, fostering a sense of unity, cooperation, and responsibility towards society.

ADMISSION PROCEDURE

TWO YEARS B.ED COURSE:-

The admission procedure starts with Gauhati University notifying for a common entrance test GUBEDCET-2026. From 2025 onwards, Gauhati University has introduced SAMARTH Portal for filling up of online forms and preferred institutions can be selected there itself. Thereafter, the colleges are entitled to prepare the merit list as per the instructions given by the university. The course is both in English and Assamese medium.

- **INTAKE CAPACITY:- 100 Students**

ADMISSION CRITERIA FOR B.ED ADMISSION, AS NOTIFIED BY GAUHATI UNIVERSITY (2025) ARE AS FOLLOWS:-

(As per NCTE norms) A candidate may be allowed to appear in the GUBEDCET-2025 provided that he/she has passed the BA/BSc/B.Com.

Or

MA/M. Sc/M. Com or equivalent degree programme from a recognised Board/University with at least 50% marks (or 45% marks SC/ST/OBC/PWD).

CUT OFF MARKS WILL BE 80 (FOR UNSERVED CATEGORY) AND 60 (FOR RESERVED CATEGORY) CANDIDATES

Merit list will be prepared only on the basis of marks obtained in GUBEDCET-2025. In case of a tie i.e. when two or more candidates obtain equal marks, inter-se merit of such candidates shall be decided as follows:

- **Resolution by finding the ratio of positive marks and negative marks. Candidate having higher absolute value of the ratio will be given better rank.**
- **Resolution by number of unanswered questions. Candidate with less number of unanswered questions will be given better rank.**
- **If the resolution is not possible after this criterion, candidates with higher age will be given better rank.**

Reservation and relaxation policy will be as per existing GU rules.

- **Anything not covered by this guideline will be decided by the University authority at appropriate level.**

TWO YEARS D.EL.ED COURSE:-

West Guwahati College of Education has attained the status of composite one with the introduction of two years D.El.Ed. Course from 2017. Regular D.El.Ed. Course was introduced after obtaining recognition from NCTE and affiliation from SCERT, Government of Assam. The course is both in English and Assamese medium.

The admission procedure starts with SCERT notifying for a common entrance test. The students must appear and qualify the PET Entrance test in order to apply in the desired institution (Students are mapped to the institution by the SCERT itself as per norms). Dates of admission are declared by the SCERT itself in

order to provide the qualified students admission in the institution. The admissions are submitted in the SCERT website during counseling.

- **SCERT CONDUCTS PET ENTRANCE EXAM**
- **INTAKE CAPACITY:- 50**
- **PRESCRIBED SEMESTER BASED SYLLABUS IS FOLLOWED**
- **SELECTED CANDIDATES OPT. FOR SUITABLE COLLEGE FOR ADMISSION**

ELIGIBILITY CRITERIA AS PER INSTRUCTIONS OF SCERT, ASSAM

B.A FYUGP (ARTS):-

After completion of Higher Secondary, a student can apply in the institution for the B.A FYUGP Programme in the institution through the SAMARTH Portal of Gauhati University.

- **INTAKE CAPACITY: - 120 (30 SEATS PER MAJOR SUBJECT)**
- **GENERAL:- 100 SEATS**

RESERVATION POLICY:-

Reservation policy as per Govt. of Assam

FOR GIRLS	FOR BOYS
WHITE KURTI	WHITE SHIRT
WHITE PATIALA	BLACK TROUSERS
MAROON DUPATTA	

FEEDBACK FROM EX-STUDENTS OF WGCE

Dipankar Ray
Principal, KV
Kunjaban, Agartala
Batch: - 2000-01

I fondly remember my days in West Guwahati College of Education, Temple Ghat, Pandu way back in 2001. I vividly remember that the initial classes were conducted in a state govt. school in Maligaon Rest camp area and then later the classes were shifted to the permanent building. I must say that it is due to my B Ed course for which I could get a job first in JNV and then in KV as a teacher, Now, I am working as a Principal in Kendriya Vidyalaya Kunjaban, Agartala which is one of the biggest KVs in North East. I learnt a lot from the course and the faculty members really worked very hard for the trainees. I felt, there was a lot of good vibes and positivity in the atmosphere of the college and there was great synergy between teachers and trainees. We can never forget the fun we had when we went for a picnic in a beautiful hilly area.

There were many trainees from other states as well who used to come all the way to Guwahati for the course. In all, I have to say that my days in the college are unforgettable and I will always be indebted to the then principal, faculty members and also my fellow trainees for the kind of support and cooperation they extended by dint of which I could reach the extended by dint of which I could reach the position I am in. I am sure that the college will scale newer heights and will leave an indelible mark in the field of education and training for the budding teachers of the region. All the best!

West Guwahati College of Education is like a throwback to better times and even better memories. I didn't realize I was making memories. I just knew I was there for another course. But as I stepped into the hallowed portals of my college, I knew I was not just here for another ordinary course. This college paved the way for my professional life in education. I can never truly describe or express my deep gratitude, love, and appreciation for its commitment to excellence, for helping us in our growth, molding our lives and shaping our destiny. It was quite an experience to be tutored by teachers who were masters of their craft and who enlightened me about my innate talents.

I am filled with a deep sense of nostalgia for those beautiful bygone days, and sweet reflections, reminiscences, and memories created there. Thank You, Alma Mater, for the successful beginning to adult life! Thank you. You showed me that the world is full of possibilities.

"Focus on doing the right things instead of a bunch of things." - Mike Krieger

For many this becomes a necessity after completing graduation. West Guwahati College of Education is here for proper guidance and direction. The future teacher is rightly molded and motivated to learn and explore different avenues of knowledge while undergoing the course of study. Being an alumnus, I thank the institution for gearing up the teacher in me and bracing up for the profession of teaching.

Olympia Talukdar
Batch: - 2019-21

A Teacher-trainee Graduate from West Guwahati College of Education, WGCE (Session: 2019-21), is one of those decisions in my life which I shall never regret. The icing on the cake is the experience gained and the development in a wholesome manner throughout these 2 years in this college. This college has taught me much about the real life scenario for a Teacher-trainee through its various practical aspects. I, as the Class Representative (CR) for these 2 years, see myself growing as a better version of myself: capable of managing both academics and the duties assigned to me.

I am extremely grateful to Dr. Gitanjali Choudhury Ma'am, the Principal of WCE, as well as all the other faculty members of WCE, for being so supportive throughout and giving me this opportunity to pen down my thoughts for the prospectus of this renowned college and for making me the person I am today. I hope and pray that I shall be able to make my teachers proud by becoming an efficient teacher in the near future.

Bijoya Laxmi Chakraborty
Batch 2023-2025

It is often said that the true value of an institution lies not merely in the education it imparts but in the people and experiences it leaves you with. Looking back, my time at West Guwahati College of Education remains one of the most enriching phases of my life. These two years have not only helped me grow academically but have also helped me grow as an individual. The positive and nurturing environment created by the Principal, Dr. Gitanjali Chowdhury and all the other professors of the college allowed me to learn with confidence and without hesitation. Their belief in me helped me become more confident, responsible, and willing to step out of my comfort zone without the fear of being judged. Choosing West Guwahati College of Education for my B.Ed. has been one of the most rewarding decisions of my life. The memories and values I carry from this institution will always hold a special place in my heart.

Debarati Paul
Batch 2023-2025

Time has a beautiful way of turning ordinary moments into cherished memories, and my journey at West Guwahati College of Education is one that I will always look back on with gratitude. The micro-teaching sessions helped me gain confidence as a teacher, while my internship gave me the opportunity to interact with students in a real classroom, making me appreciate the joy and responsibility of teaching even more.

Beyond academics, the course offered many opportunities to connect theory with practice through teaching experiences, assignments, and various activities. I am also thankful to the faculty members for their guidance and encouragement

throughout this journey.

Among the many memories I will cherish, celebrating our house winning the Best House Award during College Week will always hold a special place in my heart. As I look back, I realize that this journey has taught me much more than teaching skills—it has helped me become more confident, patient, and better at managing my time. I will always be grateful for the experiences, lessons, and memories that West Guwahati College of Education has given me, and I will carry them with me as I begin my journey as an

Paragmoni Das
Batch 2024-2026

My two years at West Guwahati College of Education have been a valuable learning experience. The college provided me with opportunities to develop both academically and professionally. I got various opportunities to showcase my talents in these two years. I came here as an individual but left as an educator. It did shape me as an individual. The teaching staff's were empathetic towards our need and helped us grow in every direction possible.

The curriculum was well-structured and included practical teaching experiences that helped me gain confidence as a future educator. Activities such as teaching practice, seminars, workshops and classroom discussions enhanced my vision.

The college also maintained a positive learning environment with good discipline and cooperation among students and teachers.

We got to learn many new things such as drama, art and yoga which also contributed towards my growth as a teacher. During the first year, our batch got the opportunity for showcasing our talents in front of NAAC Peer Visit. During the second year, we got the opportunity of going to Sikkim for our educational excursion which taught made our batch closer to one another.

I sincerely want to express my gratitude towards the Principal, all the faculty members and the non-teaching staff for their constant support and guidance throughout my B.Ed. journey. I will always cherish the friendships, lessons and experiences I gained at West Guwahati College of Education. This institution has helped shape me into a more confident, responsible and passionate future teacher and I will always remain thankful for being a part of this wonderful college. It gave me experience which will be treasured for life.
