MESSAGE FROM THE PRESIDENT

Dear Student teacher-trainee Friends,

It is a pleasure to welcome you to the West Guwahati College of Education. You might have already collected the information that the College is affiliated to Gauhati University, recognized by the NCTE and concurred by Government of Assam.

The College is situated at the Western fringe of the Nilachal Hills, the abode of the mother Goddess Kamakhya, a place secluded from the din of the busy city. The picturesque location of the college will not only add to your mental pleasure but will also help you to study at a very tranquil environment. The mighty Brahmaputra flows close to the college.

Established in 1992, thanks to its dedicated teachers and supporting staff, the college has a brilliant academic record. It is wished that you, the new entrants, will spare no effort to carry on the tradition.

So, with best wishes.

Prof. P. K. Jain

FROM THE PRINCIPAL'S DESK

In 30 years, WGCE has become a national leader in parking teacher education. With intake capacity 100 students every year, our focus is on preparing leaders in teaching for tomorrow. In doing so, we emphasize excellence in teaching, learning, seminar, workshop & Innovative practice. We work with the leaders in education to develop the latest faculty resources that are responsible to our needs of training and utilize modern tools and technologies to deliver our programs. We seek to maintain the quality of our training program with the latest technology which can revamp the teaching-learning process. Hence all the teacher educators are committed towards their profession to rebuild the quality of teacher education. The team of teacher educators' dedication, obligation, loyalty to the institution bring the focus as a prime institutions among the teacher-training colleges of Assam. Every activity of this college gives a different identity in the field of education.

If you are thinking of becoming a leader and making the world a better place to live in, then you consider becoming a part of West Guwahati College of Education and We welcome you to visit our website find out more about the college.

(Dr. Gitanjali Choudhury)

An Institution par excellence

In response to the demand of Pandu - Maligaon, Jalukbari, Dharapur, Tetelia, Baragaon, Gotanager and entire western part of the city the West Guwahati College of Education was established in 1992 with the relentless efforts of a few devoted academicians.

Accordingly, a sponsoring Body headed by Dr. M. Barthakur, M.A., B.Sc.(Hons), Ph.D., Retd. Professor of Gauhati University and Sri Sreemanta Sarker, M.A., B.Ed., the Principal of Bidya Mandir H.S. School as Secretary was formed in the early part of 1992 to initiate the move for establishing a College of education i.e., B.Ed. College at Pandu, with permission from Gauhati University. The Sponsoring Body was later on expanded by co-opting other members having selfless love for education and wide experience in socio administrative activities.

The Managing Committee of Bidya Mandir H.S. School of which Sri Sarker was the secretary was magnanimous enough to permit the Sponsoring Body to start the college in its premises. The Efforts of the Sponsoring Body were ultimately

were Ultimately crowned with success when "West Guwahati College of Education" (WGCE) was formally inaugurated on the 1st April, 1992 in the premises of Bidya Mandir H.S. School, Rest Camp, Pandu, Guwahati-12. It will be unfair if the names of two veteran academicians whose personal efforts and contributions have laid the solid foundation of the College are not mentioned in this context. They are late B.K. Nath, M.Sc., M.S.(USA) and MRS Kamana Baruo, M.A., B.Ed. Along with the Secretary Sri Sreemanta Sarker, Late Mr. Nath as the founder Principal gave the academic shape of the institution by his selfless dedication and Mrs. Kamana Barowa as an Experienced teacher organized the academic and co-curricular activities. Large number of students from different parts of the city and the state as a whole were attracted and consequently there had been increasing rush for admission in the college. Now, the college has its own campus at Templeghat with its 3bighas land.

At present West Guwahati College of Education, affiliated to Gauhati University and Recognized by NCTE with **Concurrence No. AEE.134/2013/68** of government of Assam as a self financing institution called the West Guwahati College of Education. The College is headed by its President, Dr. Chandi Charan Bhattacharyee, Retd. Prof of Gauhati University of Chemistry Department and Mrs. Gitanjali Choudhury is now acting principal who has a well planned layout of buildings and facilities with latest and updated technology, to provide a wonderful opportunity for students to enjoy learning.

I fondly remember my days in West Guwahati College of education, Temple Ghat, Pandu way back in 2001. I vividly remember that the initial classes were conducted in a state govt. school in Maligaon Rest camp area and then later the classes were shifted to the permanent building. I must say that it is due to my B Ed course for which I could get a job first in JNV and then in KV as a teacher, Now, I am working as a Principal in Kendriya Vidyalaya Kunjaban, Agartala which is one of the biggest KVs in North East. I learnt a lot from the course and the faculty members really worked very hard for the trainees. I felt, there was a lot of good vibes and positivity in the atmosphere of the college and there was great synergy between teachers and trainees. We can never forget the fun we had when we went for a picnic in a beautiful hilly area. There were many trainees from other states as well who used to come all the way to Guwahati for the course. In all, I have to say that my days in the college are unforgettable and I will always be indebted to the then principal, faculty members and also my fellow trainees for the kind of support and cooperation they extended by dint of which I could reach the position I am in. I am sure that the college will scale newer heights and will leave an indelible mark in the field of education and training for the budding teachers of the region. All the best!

West Guwahati college of Education will always be a second home for me. The college provides the best academic as well as a holistic development to every student. Along with academic knowledge we also had various orientation programs, sports, extra curricular activities and educational trips which groomed us to be confident. I am also fortunate to have teachers who are very cooperative and motivating which boosted my overall character. The 2 years in the college helped me to improve my personal as well as professional skills and enhanced my soft skills through the practice teachings and internship at schools. We had a good infrastructure and students can choose the subjects of their choice to study with dedicated teachers for every subject. We also got the opportunity to study practical subjects like Drama and Art.

I am lucky that I choosed this college to pursue B.Ed and with the encouragement from my teachers I was able to pursue M.Ed degree as well. I will always be grateful to all the teachers who stood by my side as a strong support throughout. Every time I had any difficulty in understanding my teachers were always there to guide me find solutions to my problems. I am privileged to have gotten the opportunity to pen down my experience about my college.

A Teacher-trainee Graduate from West Guwahati College of Education, WGCE (Session: 2019-21), is one of those decisions in my life which I shall never regret. The icing on the cake is the experience gained and the development in a wholesome manner throughout these 2 years in this college. This college has taught me much about the insights of a real-life scenario for a Teacher-trainee through its various practical aspects. I, as the Class Representative (CR) for these 2 years, see myself growing as a better version of myself: capable of managing both academics and the duties assigned to me.

I am extremely grateful to Dr. Gitanjali Choudhury Ma'am, the Principal of WGCE, as well as all the other faculty members of WGCE, for being so supportive throughout and giving me this opportunity to pen down my thoughts for the prospectus of this renowned college and for making me the person I am today. I hope and pray that I shall be able to make my teachers proud by becoming an efficient teacher in the near future.

Thank You, Alma Mater

West Guwahati College of Education is like a throwback to better times and even better memories. I didn't realize I was making memories. I just knew I was there for another course. But as I stepped into the hallowed portals of my college, I knew I was not just here for another ordinary course. This college paved the way for my professional life in education. I can never truly describe or express my deep gratitude, love, and appreciation for its commitment to excellence, for helping us in our growth, moulding our lives and shaping our destiny. It was quite an experience to be tutored by teachers who were masters of their craft and who enlightened me about my innate talents.

I am filled with a deep sense of nostalgia for those beautiful bygone days, and sweet reflections, reminiscences, and memories created there. Thank You, Alma Mater, for the successful beginning to adult life! Thank you. You showed me that the world is full of possibilities.

West Guwahati College of Education (WGCE) is an institution that provides training to be teachers, so that they can bring up good students for the society.

WGCE provides a very friendly environment for students as our teachers are welcoming and warmhearted especially our respected Principal Madam. I have made lot of friends and enjoyed my time here during my B.Ed. and I am very grateful for our teachers for giving me immense knowledge and experiences. They are always ready to guide us whenever we need their help and they have shaped us to be a better teacher in the future.

Lastly, I wish the institute with keep on blooming in the future and I wish all my teachers and Principal madam a greatlife ahead.

West Guwahati College of Education is one of the best B.Ed college in Assam. Since its inception in 1992, the college has been greatly successful in imparting quality education to teachers' trainee. It aims at all round development of the teachers' trainee by organizing co-curricular activities. The entire faculty is highly experienced and qualified and the teaching learning environment is quite congenial. It is rightly said that teachers are not born but they are made over time through perseverance, education, practice and guidance and the institutes every year produces great teachers. The overall infrastructure of the college is quite a good one. I as a trainee had a wonderful experience in the two years journey 2018-2020. I am highly grateful to all the faculties for their efforts.

First of all I would like to greet all of my teachers of this esteemed institution of Assam that is the "West Guwahati College of Education", Pandu for giving me the chance to being a part of this abode of knowledge in the academic year 2017-19.

Those two years in this institution was the golden period of myself as it has given me the opportunity to learn how to be a good teacher, though it sound like simple but in practice very very difficult. But our dear sir & ma'am left no stone unturned to teach us and as a result of which many generations of good teachers has come out from this significant teacher training institution.

So, I am very glad to being a part of West Guwahati College of Education and thank you so much to Principal ma'am and all other respected faculty members and the non teaching staff.

Thank you.

I have studied in West guwahati college of Education. It was one of the wonderful moments of my life. Not only I have learnt a lot of new, outstanding things but also I have observed very closely some great teachers, their teaching, their behavioural approach towards education. I have kept them in my memory to apply in my teaching. And today while teaching, inside the class I always try to follow and remember your teaching, broad minded attitude. I am always grateful, always will remember you people to be a good man.

Doing B.Ed. from West Guwahati College of Education was the most wonderful and fantastic experiences I ever got and I can say that it was a life changing experience for me. It is really one of the best colleges. I found WGCE to be a milestone in my professional and personal life. I could not have asked for more. Joining B.Ed. here was one of the best decisions I have made. The teachers were so helpful to me; whenever there was anything I needed or did not understand they were there to help me out.

I came from different state (Meghalaya) but this place made me feel right at home, where our teachers and specially our brilliant Principal are very friendly. They gave me a constant support and guidance which is really helped me to enhance my teaching. WGCE is a place which has completely changed me as a person and has taught me to be a great teacher. WGCE as a college gave me ample of opportunities to learn and grow in all aspect of life.

I have a very sweet memory with West Guwahati College of Education. The time I spent from 2016 to 2018 here will remain an inspiration for my entire life. The stuff and environment of the college are very good. I feel very lucky myself. The infrastructure and facilities available in the college is very good. I am very fortunate to be working as Editor of the college magazine Pragyajyoti in 2018. I would like to thank Principal Madam and stuff for their advice and guidance in making my life a success. Now I am working as a Graduate Teacher in Dima Hasao District.

Long live WGCE.

For many this becomes a necessity after completing graduation. West Guwahati College of Education is here for proper guidance and direction. The future teacher is rightly moulded and motivated to learn and explore different avenues of knowledge while undergoing the course of study. Being an alumnus, I thank the institution for gearing up the teacher in me and bracing up for the profession of teaching.
